"I had the Revitaliser Dermaplaning Facial and it was an absolute treat! Would 100% recommend this treatment. My skin feels cleansed, soft and glowing! Chanelle was super lovely, calming and professional. She really made my living room feel like a spa! Cant wait for my next treatment already!  
Thank you Chanelle x"

"Chenelle is wonderful!!! Highly skilled, punctual, professional and good pre-appointment correspondence. More than that though, she has a lovely presence about her and I felt so comfortable having her in my home. I had a 1hr full body massage and it was really great! Super relaxing and methodical but she also had the strength to go harder in areas I needed her to.  
Highly recommended!"
